

## Blackboard App and Notification Settings

Walden now offers you the ability to access your Walden Classroom via the Blackboard mobile application. This guide will walk you through setting up the app on your mobile device as well as how to enable and configure the notifications you receive.

The Blackboard Mobile App is available for Android and iOS:

**SEARCH:** "Blackboard App"

### Blackboard App™

You may use Blackboard App™ to browse your announcements, weekly course content, syllabus, and other areas of the course, get mobile notifications of when graded work is due, and more! **Please note:** we recommend you complete and hand in all assessments, including discussions, assignments, and quizzes by using your computer.

### Blackboard App Navigation

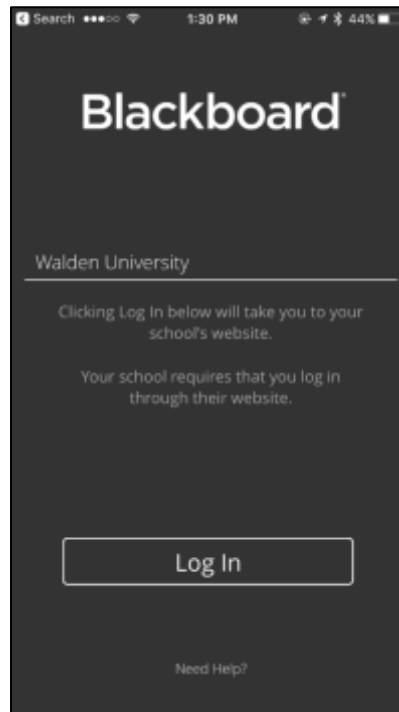

See the following pages for how to:

1. Log into Walden University on the Blackboard App
2. Access your course via the App
3. Navigate the mobile friendly content
4. Set up and customize your notifications

## Logging into Walden University

Access the Blackboard App from your mobile device.

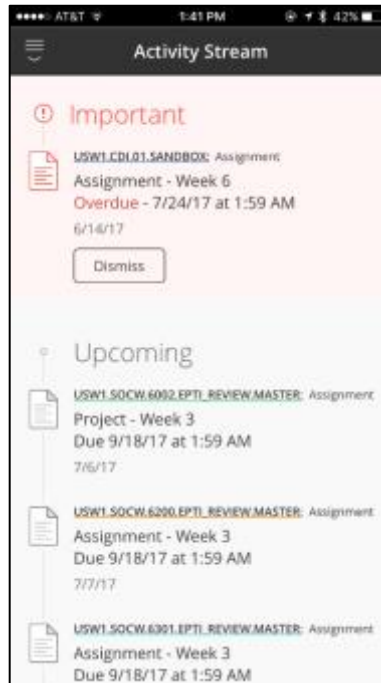

Type “Walden University” when prompted to enter your school:

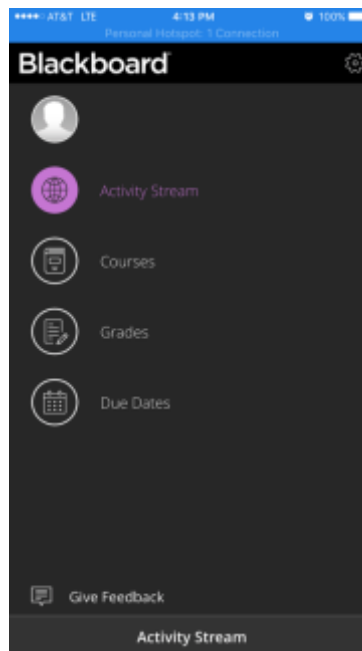

Log in to the Walden Portal, with your username and password.

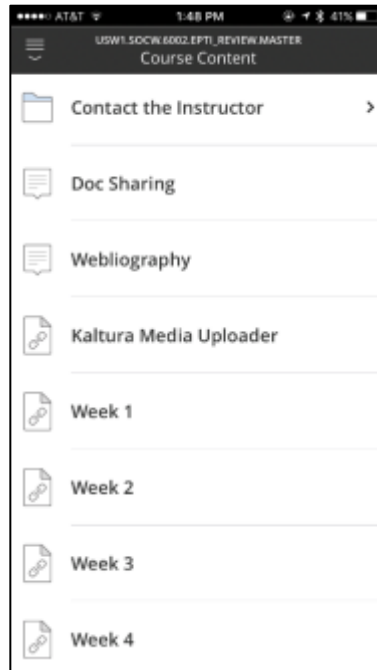

You will automatically be directed to the Activity Stream where you will see a list of important items such as due dates. You can access your course directly from the **Activity Stream** by clicking on the Course ID.

The chevron menu at the top left also provides access to the app menu, where you can Access a Course, your Grades, or simply the Due Dates for your assessments.

Once in a course, navigate to the Course Overview, Syllabus, Student Lounge/Class Cafe, Contact the Instructor, Doc Sharing, Webliography, Weekly Content Pages or Discussions:

Use the X to go back to the to your course

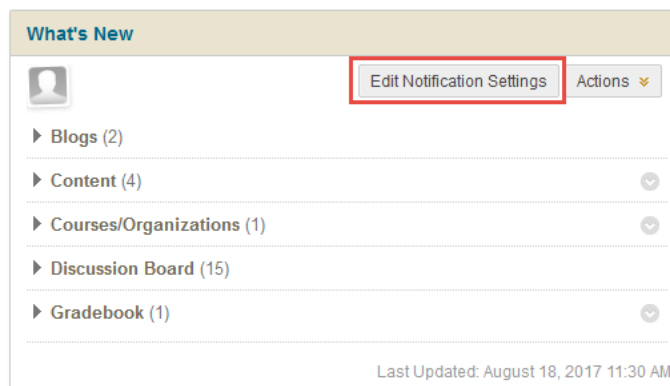

Click the Menu option to navigate to other pages of the course.

You can click on the course title to expand the page menu to quickly jump to other parts of the course. Click it again to minimize the menu, but the title block persists, no matter what.

Use your thumb to scroll down, if desired

### Setting up Notifications

Access one of your active courses to get started. On the course Home Page you will see several modules. There should be an **Edit Notification Settings** button available on some of them. Click the button to review the current notification settings and to make modifications.

Mobile notifications must be configured for each of your individual courses. Click the desired course under the “Edit Individual Settings” heading.

### Edit Individual Course Settings

View the current notification settings for courses in which you are enrolled. Make changes to the notification settings for a specific course.
