

Student Tutorial – Blackboard 9.1  
Manage Course List Module Settings

Follow the steps below to hide the prior term course links.

1. Select the **Courses** tab after logging into Blackboard.
2. Hover mouse over the **Course List** title, then click on the module setting button.

3. Select the courses in which you are enrolled and want to hide from view.
  - a. (2016**20**) signifies Spring term)
  - b. (2016**30**) signifies Summer term)
  - c. (2017**10**) signifies Fall term)
4. Unselect the checked boxes specifying the course name. (see image below.)
5. Press the **Submit** button.
